Declaration for certification

Supplier Nursery W. Roelofs B.V. hereby declares that all trees produced in the nurseries are without any genetic modification.

If required, supplier can always send a list of the chemicals and fertilisers used in the nursery.

After lifting the plants no chemicalls for plantprotection will be used.

All plants are controlled and inspected by NAK-Tuinbouw. Since season 2017-2018 supplier is Elite® NAK-Tuinbouw certified.

W.M.T. Roelofs
