

Authorized participant **Naktuinbouw Elite**

Naktuinbouw declares that

Roelofs Trade B.V. in Zeewolde (The Netherlands)

meets the requirements and conditions which apply to Naktuinbouw Elite Pome Fruit.

Based on this declaration the quality mark Naktuinbouw Elite may be used.

Application area:

Production and marketing of propagated plants of certified fruit trees and rootstocks.

This authorization is granted 18 September 2018.

This certificate numbered N243 is valid from 18 September 2022 until 18 September 2026.

Every three years at least one audit will be carried out by Naktuinbouw to determine if the company still meets the requirements and conditions.

During this agreement, crops, to which the application area apply, can be certified with Elite certificate labels and Elite certificates.
